

ROSHNI KOLI

SAP FUNCTIONAL CONSULTANT

INDIANAPOLIS, INDIANA 46237

C# +13176529847|roshni.koli@gmail.com

As my resume indicates, I possess more than 4 years of progressive experience in the SAP BI/BW HANA field. My professional history includes positions such as Senior Executive at Wipro Info Systems Pvt. Ltd. as well as Associate Software Engineer at Accenture.

Most recently, my responsibilities included Design and development of BEx queries based on Composite Providers and Multi-Providers, Performed data modelling and developed analytical views for the transactional data in HANA, Managed and prioritized SAP defects including debugging and fixing of complex problems in a timely manner. I assisted in the successful completion of Migration of HANA content from development, testing environment to Production environment using delivery units. My supervisor also relied on my ability to Analyze reports and suggest improvements in performance of existing solutions, created Technical specifications for Business and standard modelling documents for HANA.

I have attached my resume for your reference.

ROSHNI JAYENDRA KOLI

+13176529847

roshni.koli@gmail.com
