Apply now ▼ (/talentcommunity/apply/320653501/?locale=en_US)

Date: Apr 8, 2016

Location: Newtown Square, PA, US

Company: SAP

Requisition ID: 107640

Work Area: Consulting and Professional Services

Expected Travel: 0 - 100%

Career Status: Professional

Employment Type: Regular Full Time

COMPANY DESCRIPTION

As market leader in enterprise application software, SAP helps companies of all sizes and industries innovate through simplification. From the back office to the boardroom, warehouse to storefront, on premise to cloud, desktop to mobile device – SAP empowers people and organizations to work together more efficiently and use business insight more effectively to stay ahead of the competition. SAP applications and services enable customers to operate profitably, adapt continuously, and grow sustainably.

****Can be located anywhere in US or Canada****

Purpose & Objective:

The PPM Application Consultant facilitates the implementation and support of SAP products to enhance the clients' business functionality and overall performance specifically in the area of Portfolio and Project Management (PPM) including but not limited to PPM, cProjects, xRPM, CPM, MRS and PS for IT, process and discrete manufacturers, banking and insurance. This includes processes such as cross industry project / portfolio / resource management, IT service management, budget and investment planning, requirements management.

This position requires a minimum of 5 years professional experience and a minimum of 2-3 full years within the PPM Domain. SAP product experience is preferred but not required. However the candidate must demonstrate aptitude to quickly master PPM related software applications and their implementation. Product application/implementation experience is strongly preferred. The resource should also demonstrate ability to lead teams, execute across application areas, and be able to command rates commensurate with market & peers.

Expectations and Tasks:

- Responsible primarily for successful implementation of SAP product and business processes, including providing functional expertise, guidance, presentation, and instruction on SAP products to clients. Lead in the development of the overall project plan (scoping process) as well as individual work plans. Acts as liason with client for troubleshooting: investigates, analyses, and solves software problems.
- Analyzes and maps clients' business requirements, processes and objectives; develops solutions to satisfy clients' needs.
- Maintains/expands client list & builds credible relationships with clients, develops own professional learning of SAP products/technologies and solutions to both clients and fellow colleagues.
- Participates in internal activities - hotline, remote consulting, presales, prepares training materials, teaches on-site courses and provides mentoring/support to less experienced colleagues.

Position Requirements:

- 4-Year Bachelor's degree preferred or equivalent experience
- Degree in Science, Engineering or Computer Science is preferred
- Minimum of 5 years of professional experience
- Minimum of 2-3 years of direct experience working with PPM solutions
- Strong English communication skills required
- Client-facing experience preferred
- Open to 100% travel. (Mon-Thurs)

SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company.

SAP is committed to the principles of Equal Employment Opportunity and to providing reasonable accommodations to applicants with physical and/or mental disabilities. If you are interested in applying for employment with SAP and are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations team (Americas: Careers.NorthAmerica@sap.com (<mailto:Careers.NorthAmerica@sap.com>) or Careers.LatinAmerica@sap.com (<mailto:Careers.LatinAmerica@sap.com>), APJ: Careers.APJ@sap.com (<mailto:Careers.APJ@sap.com>), EMEA: careers@sap.com (<mailto:careers@sap.com>)). Requests for reasonable accommodation will be considered on a case-by-case basis.

EOE AA M/F/Vet/Disability:

Qualified applicants will receive consideration for employment without regard to their age, race, religion, national origin, gender, sexual orientation, gender identity, protected veteran status or disability.
